

### **Instruction Pillow.**

Congratulations! Relax, you are a proud owner of great rest with your new MNICA pillow jewel, a revolutionary support to ease neck pain and over 125 different condition related to this trauma also a must for preventing these. The micro fiber filling offers a soft support together with the fluff material to caress your skin. The special design that provides option of flapping over is the key also its heart shape design provides a variety of support sizes! A pillow when taken care of can last for a long time. Aerate it regularly in the sun and renew your pillow more often. Can safely be washed in machine. Use the pillow as you like to begin with!!! There are many options to your jewel. Flat or flapped over. Choose support needed for you. To brace your neck though you might need to flap it over for optimal support. The dip that forms by this option gives relieve to your ear and nerves to let user experience good night sleep and great rests and by using it for prolonged time it will brace your neck to form the natural curve needed for flexibility and will help your overall body energy, electric and fluid paths to connect better which will make you feel better. As you use your pillow you may want to form it back into its original state by shaking it. You can freely put it into a pillow case big enough so that option of flapping over remains. Put it on top of another pillow is also another option. Keep your head straight while resting it on pillow. For an accelerated healing avoid sleeping with any pillow when on your tummy!!! Please... persevere you may feel some discomfort at beginning in and around neck... this means the product is doing its alignment job! Presented is a new small version to take anywhere you like, MNICA ARUBA. Persevere when using pillow. Your body tried to help you for so long by delivering distorted messages now it needs to send messages of recapping to those same areas that will take time depend of your condition naturally.
